

Forensic Science Excellence Award 2006
(For Directors of Forensic Science Laboratories)

1	Date of taking over as Director of the laboratory				
2	Case receipt, case disposal and pendency per case during the last three years	Year	Cases Received	Cases Disposed of	Cases Pending
		2003 2004 2005			
3	Number of crime scene visited by the scientists of FSL, during last three years	2003		2004	2005
4	What specialized techniques your lab introduced	Since how many years	No of cases examined during the last three years		
	DNA typing Speaker identification Audio-video tape authentication Computer Forensics Brain Finger Printing Narco analysis Shooter Identification Any other		2003	2004	2005
5	Vacancy position and efforts made by Director, FSL, in filling up the vacancies (scientific posts)	Vacancy New posts	2004-05		2005-06
			Vacant Created	Filled Filled	Vacant Created
6	Any national level /scientifically significant case(s) solved by FSL Scientists which provided a good lead to investigating officer in solving the crime	Details may be given on separate Sheet.			
7	New technology/methods /innovations achieved & recognition /reward/award received during the last three years by you /your laboratory scientists. How many scientific papers published by you/your scientists during the last three years?	Details may be given on separate Sheet			
8	Implementation of various suggestions /recommendations of Govt. of India in respect of forensic science during the last three years	Details may be given on separate Sheet			

9	Sensitization drive carried out by State FSL in giving proper training to Police and Judiciary during the last three years	Details may be given on separate Sheet		
10	Manuals/ Guidelines brought out on forensic science by FSL for use by police /judiciary and suggestions for inclusion in state police manuals	Details may be given on separate Sheet		
11	Guidance to research work at the level of Ph.D., if any, during the last three years	Details may be given on separate Sheet		
12	Any national /state level seminar / symposium /conference organized during last three years	Details may be given on separate Sheet		
13	Steps taken for timely quality output and for laboratory accreditation	Details may be given on separate Sheet		
14	Any specialized training programmes conducted during the last three years	Details may be given on separate Sheet		
15	How many scientists of your laboratory attended refreshers course /specialized training courses/ induction level training programme during the last three years	2003	2004	2005
16	How many scientists presented scientific papers in conferences during the last three years	2003	2004	2005
17	During the last three years how much amount has been received under Police Modernization Scheme (Both M&E and Building)	2003	2004	2005
18	Other useful information, if any			

Certified that the information given in the above Performa has been verified from the available records and found to be correct.
